The above summarizes the FY2007 Budget, the FY2007 Estimate and the FY2008 Budget for the Police Special Services Fund. Also included are the beginning and ending fund balances, total available resources and total expenditures.

The Police Special Services Fund was created to properly account for monies received by the Houston Police Department (HPD) that are not covered by other funds. These funds include monies received from other agencies or organizations to reimburse HPD for cost of supplies, or services, or as sub-grantee for monies restricted to a specific law enforcement purpose, or funds dedicated to a specific purpose.

Examples of reimbursable services include HPD participation in joint police operations; security and traffic control for such activities as "fun runs", parades and festivals; traffic management at airports; staffing for training facilities when used by other agencies; and contracted services as with the Immigration Customs Enforcement. Examples of restricted funds include certain court awards and state training funds. An example of a donation is a contribution from an organization or citizen for the purchase of police equipment or animals.
